

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 29, 1996

SUBJECT: **SB 3001 - HB 2949**

This bill, if enacted, will entitle a disabled person who participated in the Tennessee Comprehensive Health Insurance Pool Medicare Supplement program on January 1, 1994 to participate in TennCare with equivalent benefits. The Commissioner of Finance and Administration is authorized to apply for a waiver if necessary.

The fiscal impact of this bill is estimated to increase state expenditures. The amount cannot be determined but is estimated not to exceed \$100,000 because fewer than 100 people were eligible for these benefits in 1994 and most are already TennCare enrollees.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
